T-t-t-treasure?? Who cares about saving the world when there's treasure to be found! When Wan and his voracious appetite hook up with bossy little Mei-Mer and playboy Bud Mint, they won't let anything stand in their way (including each other) to find all that glitters!

Kidnapped by their mortal enemies, the Humans, our compatriots just happen to stumble upon the Humans' secret password - Dr. Password that is. In exchange for freeing his granddaughter Yuni, Password hands the greedy little gang the key to the greatest treasure the world has ever known!
